I have here a stunning litter of KC reg English bulldogs. There's 5 BOYS ONLY ready for their loving forever homes on 29th Dec although I'm more than happy to keep until xmas or after the festivities if preferred. These are top quality pups oozing quality. Both parents carry coloured genes and are bred from champion lines inc OCOBO. They both have fantastic temperaments which is showing to be passed on in these pups. Brought up in the home they are confident friendly and full of character.

These pups have been given a clean bill of health from the Vet with good hearts and tails plus not having problems breathing. They are wormed up to date, Micro chipped, had 1st vaccination. Will be flead and come with a 5 generation pedigree, 5 weeks insurance and a puppy
