Vocal and Performance Coach with over 10 years of teaching experience

Location London, London https://www.freeadsz.co.uk/x-565395-z

Learn how to:

- * improve your technique: control your breathing and support your voice
- * free your vocal chords: find your own natural sound and use your voice without strain
- * gain confidence: learn to be yourself when performing and improve your stage presence

I will also help you to:

- * get a natural vibrato
- * gain more volume without straining your vocal chords
- * effectively use a microphone in the studio and on stage
- * resume singing after a long break or recover from vocal damage
- * improve your musicality and rhythm
- * work on articulation and intonation

And I also offer courses for speakers and actors as well as German pronunciation classes for classical singers!

I have experience in working with students of all ages, with beginners as well as professionals, be it classic or jazz, musical theatre, metal, rock or pop music! Every genre has its own sub-technique, its own sound and challenges. And every singer has their individual needs and goals!
