Hi! My name's Natasha. I'm a highly qualified English teacher from Devon in the South of England with 10 years' experience teaching English. I offer classes via Skype aimed at intermediate to advanced students who are looking to improve their English level in general or work towards a specific goal. Here are some examples of classes I offer:

Conversation classes – improve your fluency, widen your vocabulary, gain confidence talking about a range of topics in English and improve your pronunciation. Cambridge First Certificate (FCE) speaking exam preparation. Cambridge Advanced (CAE) speaking exam preparation. Job interview preparation. Public speaking tutoring e.g. for presentations, speeches or conferences. Essay writing help and correction.

All classes are £20/hour. I offer a free 15 minute consultation via Skype so we can talk and see if we are a good teacher – student fit before you sign up for classes. You pay via Paypal – safe and easy! If you're interested in having classes with me, email me!
