

## Dorr Binocular.

Location London, London https://www.freeadsz.co.uk/x-565762-z

Dorr Danubia 8x56 Bussard I Pocket Binoculars are a lightweight, ultra-compact, durable and ergonomic design. It offers ABS rubber armoured body that provides additional grip for safety and strong hold over binocular. It features high quality roof prism with multi-coated optics that provide bright and sharp images. The quick central focusing wheel makes it easy to follow focus. The large size objective lens of 56mm increases light transmission and offers viewing even in low light.
