What Can We Do?

- Pressure Washing
- Monoblock Cleaning
- Decking Cleaning
- Patio Cleaning
- Steam Cleaning
- Dry Carpet Cleaning
- Upholstery Cleaning

PRESSURE WASHING:

Whilst pressure washing we use a chemical free system, cleaning with hot water only. When we come to your home we do not require electricity as our machinery generates its own. We are confident our Eco friendly service, quality and value for money will appeal to you.

DRY CARPET CLEANING:

We use a dry carpet cleaning system which uses water, dry foam and a completely natural cleaning solution. These are completely safe for children and pets. Our products have been approved for use by the British Woolmark and Green Seal. We are licensed to clean carpets and upholstery.

UPHOLSTERY/LEATHER CLEANING:

We use a foam system to clean upholstery and leather. This means there is no over wetting, never any shrinkage and the results instantly and furniture is dry and back in use immediately. The upholstery cleaning products used are eco-friendly, approved by British Woolmark and Green Seal. It's safe for children and pets.
