Recently retired, I recently moved to the Llandrindod Wells area and I am looking for a regular Bridge partner including beginners ... willing to play other systems than Acol.
I've personally been playing for more than 40 years.
I love bridge, I like to win and I believe I know how to behave at a bridge table but I also like to have fun!
I can easily be contacted by email (click to contact) and on my mobile (07377 67 2323).
Thanking you, I look forward to hearing from!
