Female budgie and very large cage (35 GBP)

Location **East Midlands, Lincolnshire** https://www.freeadsz.co.uk/x-566262-z

Female budgie less than a year old and very large cage with toys, perches, bowls everything you need. Her name is cloud you can hold her but she is still a little skittish but has been held by my 6 year old, she is fine with noises and children, she should settle really quickly and the cage is more then big enough to add.
