Expat IPTV is an IPTV service provided by Smart TV in Spain. We have over 2000 channels in HD 1080p and movies on demand. and at only €17.50 per month is much cheaper than many UK service providers. We have full UK listings and Sky channels included full sports packs and all PAY per View events included in the price.

Our service will work on many devices including Mag box, android TV box device, smart phone, computer, internet browser, zgemmer, Directly on a smart TV via the smart IPTV app and many more. For a free trial of our service you can google smarttvinspain and ask for a free.
