Just one UK owner (me) since this gorgeous car was imported, rust free from sunny Durban, South Africa. Surely this is the best condition MK1 GRANADA COUPE for sale in the UK. New leather (not vinyl) seats. Everything needed fixing has been fixed since I imported it, including the UK mot advisories. Just had a full service. Many NOS parts have just been fitted plus 5 brand new tyres since I imported it. Fixed price is £15000. Want a cheap and nasty Granada, go somewhere else. Will get a new MOT in January 2018.
