Birthday party or special occasion coming up, need a photographer

South West, Avon Location https://www.freeadsz.co.uk/x-566422-z

My name is Alex, I'm 23 and an aspiring event photographer with experience in photographing Birthday parties, Do you have a special occasion coming up? 21st birthday, 50th? Etc whatever the occasion I'm offering very very good rates to capture that special day/night.

Prices start at £35 for the whole night, but negotiable depending on how long your party lasts. This will include photos edited and sent to you via email for you do as you wish. Photos generally will get back to you within a week but more likely a few days and on average there will be around 200 photos but very much likely more.

The reason why i offer such good rates isn't due to poor quality, i have examples and reviews i can provide if requested. I simply am just trying to build up my portfolio and gain more experience. If you're interested in more details please email me or text me. I happy to give you reveiws from previous partys and examples of my.
