Improving individuals. Creating team performance.

U13s (Year 8)

Magic Netball is a new performance club in Sussex. Talent, passion, resilience and hard work underpin the qualities we look for in our players. As a club we foster the work hard, play hard mentality. We aim to give players the opportunity to develop as individuals, as well as developing as a cohesive team, enabling players to flourish on and off the court.

Training will be in Burgess Hill, on Sundays (until September, when training will move indoors on a week night). To support our players in gaining the best court experience to improve their play, we will not only play within Sussex but throughout the South region.

If you think this is for you we would love to see you at our trials!
