

Electric welders (20 GBP)

Location **Wales, Dyfed**
<https://www.freeadsz.co.uk/x-566481-z>

Two electric welders are offered. One is a SIP140 arc welder along with a quantity of various welding electrodes and face shield. The 2nd is a MIG Clarke Weld 100E Mk 2 with wire feed, gas not included. Both welders are in used condition, quite old but usable. The price is for the SIP140 welder. The MIG100E is offered FREE because there is a problem with the wire feed which the collector may be able to.
