4 month old black Labrador retriever for sale, named "Bruno".

Born 9th September 2017

Micro chipped, fully vaccinated, and on the way to being fully house trained.

A very friendly and sociable character, he's been brought up with 2 young boys (age 7 and 4) so is great with kids and also good with other dogs. Responsive to "sit" command and is also good on and off the lead.

Rehoming due to youngest son having allergy to dogs and looking for a new forever home for him.

Comes with full size crate bed.

Thanks for your.
