We are looking to re-home our three year old pedigree pet Sphynx little girl, who is gentle and sweet in nature. She will need to be re-homed to a pet home only preferably with no other cats, and due to the breed will need to remain an indoor cat. We currently feed her on Royal Cannon, and she will need to remain on a good quality diet as cheaper brands can lead to tummy upsets. Please be aware Sphynx require special needs, from bathing to protecting them from the dangers of outside, including sunburn due to lack of coat. We will only be allowing her to go to a suitable, vetted pet.
