Industry professional singer & teacher/ Vocal Coach with many years experience.. I provide expert vocal technique/advice & aim for students to be able to sing 'effortlessly' & to reach their full potential.

I train/mentor in all genres, abilities & ages (beginners to professionals) & lessons are individually tailored. I will also teach you how to take care of your voice.

I cover all aspects of the voice including...

- Breathing technique
- Range expansion
- Pitch
- Projection
- Tone
- Audition preparation/performance skills & of course how to interpret a song!

I can also provide help with songwriting/production & (home) vocal recordings, if a demo is required.

Whatever goal you have in mind: Musical Theatre, R&B, Jazz, Rock 'n Roll, Blues, Gospel, Country & more! I will help you develop your voice to achieve this in a patient, relaxed and encouraging environment.
