Yellowstone DOUBLE BURNER WITH GRILL AND LID
 BRAND NEW.....NOT BEEN USED.....STILL IN IT'S BOX.....
 .YOU WILL NEED TO PURCHASE THE REGULATOR AND HOSE, BUT THESE AREN'T A LOT OF MONEY

Cook up a feast no matter where you are with the Yellowstone Double Burner With Grill and Lid. Perfect for camping, days out or for some al fresco cooking in the garden, it features 1.6kw burners for rustling up a range of delicious meals and snacks. The 1.5kw grill gives you even more great cooking options and comes with a grill pan included. A stainless steel cooking surface makes it easy to clean, while the Piezo auto ignition makes lighting it a breeze.

The folding lid acts as a wind shield while you're cooking and protects it when not in use. Just hook it up to a propane or butane supply and you're ready to get cooking.
