2018 Guangzhou International Paint&Coatings Fair(GPC2018)

Date: May 9th-11th.2018

Venue: China Import & Export Fair Complex

Waterborne Paint and Coating Enjoy a Promising Prospect in China

Since 2015, the unswerving attitude to ecological construction has profoundly fostered the environmental friendly industries. In the field of paint and coatings, the industry shifts into high gear towards waterborne coatings featuring environmental protection. It's estimated that gross value of waterborne coatings solely will create more than 250 billions RMB in the following 5 years in china.

About GPC

Located in Guangdong province, where is the origin of China's paint and coatings industry, GPC has been vowing its maximum efforts to boost industrial innovation as well as creating a platform for displaying the latest technologies or products, in view of Guangzhou being the major city in South China and the center city for international economy, finance and commerce. GPC2018 will be the second-to-none trade platform for China to go global, and for the foreigners to flood in!

Preview of GPC2018

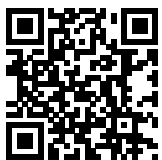

GPC2018 is schedule to span over 50,000 sq.m., with 2500 booths to host prominent brand enterprises from home and broad and professional visitor groups for business cooperation and industry communication.
