Excellent condition. Apart from a few surface scratches this bike is almost new.

Was ex-demo but has had full frame replacement. All components great condition.

I purchased this bike in May 2016. The previous owner had purchased as an ex-demo and because of this it was given a full frame replacement due to a small crack.

Since I have owned the nearly new bike it has sadly only been used 5 or 6 times at the local track.

Great bike to ride. The handling is brilliant off-road and climbs up hills with ease. I will miss this bike and sad to see it go.

Shimano XT brakes

 Shimano XT Gears - 30
 Hope Hubs
