Yes 17 years old, yes not perfect - but in good condition and totally usable to somebody. One of the arm covers/cushions does have a tear of about 5 cm but it's stuck down from inside so you can't see a hole. They unzip / are interchangeable so if you had both you could position that arm where it's least noticeable / used, or if only one item was wanted you could have 2 good covers. We are getting a new one delivered this Wednesday so this is going free. You would need to collect

The sofa is 75cm high, 97cm deep and 175cm long so it might fit into the back of an estate car. Chair similar but obviously shorter)
