South West, Hampshire Location https://www.freeadsz.co.uk/x-567317-z

Original price is about £35. Mint condition, fully working order, we bought it about 8 month ago, no damage, no discolouring. Plays very nice music, good quality in general, we've been happy with it, but don't want to take to our new place.

Pls check our other stuff for sale as well, toys for kids, babies, furniture,.
