

Hampshire Wedding Photography amp Video

Location **South West, Hampshire**
<https://www.freeadsz.co.uk/x-567340-z>

Hello and thank you for checking out my ad for a photographer & videographer
 My name is Stephen John Cook and I have been working as a photographer and videographer since 2016.

I capture the key and candid moments from your special day. I am available to work throughout the South of England. I use professional DSLR cameras, prime lenses complete with backups whilst also being fully insured.

If you like the examples shown here, please feel free to get in contact to discuss the timings and location of your day. Price is flexible depending on how many hours you require documentation and the final form you receive the work.

Starting price from £100 covers the ceremony and group photos and up to 3 hours. £200 would cover half a day, arrive from Afternoon to late (ceremony - first dance + speeches) or Morning to Mid Afternoon (getting ready - ceremony and group shots).

I come from experience in photographing weddings, theatre, sports, festivals and events so I am adaptable to any style/situation. Feel free to send me a message on here or search for Stephen John Cook Photography.
