Friendly, cautious but much quicker than I'd anticipated. Moved a full house, garage and garden easily in the day. The lads were all very happy in their work and got stuck in all day. From a customers perspective, it was reassuring to watch the lads happy in their work, even a little rain didn't stop them, and they overcame any obstacle without fuss. I had considered hiring a van and getting some family and friends to help, but how glad I was we didn't choose that route. Could not have done it without them. Moving home is hard work, so let the experts do it. Well worth the price paid.

Highly recommend John and the lads for any future jobs. Big or small.

Thanks John.

Excellent service, cannot recommend highly enough. Punctual, hard working and courteous staff who were very accommodating and extremely careful with our belongings. All at a great price-would definitely use again.

A really genuine reliable service, was there on time and took care handling my possessions, I've moved several different times due to work and had several different removal companies help me move, so far JT has been the best experience ...More
