From Samsung:

Immerse in a curved TV experience

Samsung's revolutionary curved TV makes you feel as though you are right in the middle of the excitement. The UHD screen is curved at the right angle to provide the best viewing distance for your living room, and gives you uniform and balanced viewing from all areas of the screen.

The most superior UHD picture quality experience

With picture quality that offers four times the detail of Full HD, the JU7500 produces stunningly bright and clearer images. Enjoy a picture that is optimised for even greater clarity and detail than you've ever seen before.

Lifelike viewing with Auto Depth Enhancer

Images come to life with Samsung's Auto Depth Enhancer. By applying different levels of contrast enhancement to different areas on the screen, your entertainment is more immersive. Cinematic shots, from majestic mountains to sweeping panoramas, will seem even more breathtaking.

Experience more accurate and natural colours

Appreciate the purest expression of colour. With the ability to produce more accurate and natural colours, your TV screen will open a new window to reality.

Enjoy faster UHD streaming, catch-up and games services

Use the latest apps to access the best UHD content on Netflix and Amazon. Instantly search for content making it faster to find the programs and movies you want while you are still watching TV.

Enhance clarity with brilliant UHD Upscaling

Samsung's unique UHD experience gets you closer to the action. Enjoy stunningly sharp images and amazing clarity thanks to Samsung's innovative UHD Upscaling technology. It converts lower resolution content – such as live TV – to a level of detail that's four times better than Full HD.

Your TV and mobile devices in perfect sync

Samsung Easy Sharing makes it easy to share content between your TV and mobile. Whether it's a fun video or that must-see TV show Samsung Smart TV picks up the signal when your device is close and seamlessly plays the content perfect for the big screen. It works the other way around, too, so you can move about your house while viewing your favourite content on your device.

Powerful Quad Core performance

Thanks to a powerful Quad Core processor, your Samsung Smart TV offers enhanced performance. Enjoy faster multitasking and switch between content and web browsing. Also, you'll notice smoother experience when interacting with your TV.

Smart Interaction

SMART interaction lets you control your TV with exciting interactive features. Voice Control lets you use voice commands to control your TV and Motion Control allows you to use gestures to control your TV. With Face Recognition you can log directly into your SMART Hub for seamless interaction.

Experience genuine 4K UHD resolution

All Samsung UHD TV's are compatible with Digital Europe UHD Standards ensuring you will experience stunning images in true UHD detail.

Our TV comes boxed, complete with the base stand, OneConnect Mini Box, two remotes, two pairs of 3D glasses and all original paperwork etc. I will also include a high quality wall mounting bracket as I no longer have any use for it.

It's been priced to sell quickly and is available to be collected in person, or we can arrange insured courier delivery anywhere within mainland UK, at no extra cost.

Please get in touch with any questions or to arrange a viewing and you will get a quick response.

Many thanks for your interest.
