

75 For Switching To Bulb Energy

Location **Scotland, West Lothian**
<https://www.freeadsz.co.uk/x-567435-z>

Any new Bulb Energy customer using an existing customer's referral link to switch to Bulb means £50 credited to both Bulb accounts. I'm offering half my referral income to anyone using my link, so they'd get £50 from Bulb plus an extra £25 from me, therefore £75 all up. I hope maybe of interest to anyone thinking of switching to Bulb Energy:
