

J. Wallwork amp Co. - Quality Tree Surgery and Gardening - Insured and Qualified Tree Surgeon

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-567579-z>

Emergency tree surgery after the high winds - call now

Now is the time to prune your trees, while they are dormant from November to March. If pruned now, trees tend to heal better, are less susceptible to decay, and put on healthier growth after pruning.

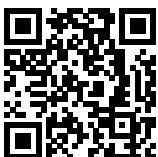

J. Wallwork & Co. offer tree surgery and garden maintenance services to a high standard, including expert hedge maintenance. We take pride in a job well done!

We use qualified and experienced workers and are fully insured for your peace of mind. We are dedicated to offering a quality service, specialising in hedge trimming, going above and beyond to make your garden as beautiful as possible.

About the proprietor:

John has had a lifelong passion for nature and the outdoors, and a keen eye for detail. He has a Level 3 90-Credit Diploma in Forestry and Arboriculture, and 3 years experience working for various tree surgery and gardening companies. He is a natural perfectionist, a quality which can be seen in his work.

Details of our insurance policy are available on.
