I'm a former photography student and am looking to do events/ occasions/ photoshoot/ commissioned photography. I received an A (grade) in my photography GCSE's and continued with it in my 2 years at college, although I spent that time studying art and design I was able to incorporate that into my work. I put together regular photo shoots of mine and others work, if you wish to see my work please get in touch and I can send you more details and links to my websites. I have been to a few events recently which really helped me gain confidence when taking photos at the occasion and I do my own photography in my own time too, I have a couple of events booked up so would update my websites and social media soon after. Don't hesitate to contact me if you have any other questions and if you require the links to my websites please contact me either by mobile 07402013100 074020131...(click to reveal full phone number) or by email and I will get back to you as soon as possible, click to
