Professional Boxer Marianne Marston's Women's Boxing classes not only teach you the art of boxing but also help you to become far fitter and more toned as well.

The Boxing classes, Marianne created, are far removed from 'Boxercise' classes offered by most fitness centres and personal trainers. Marianne's classes, even though created for beginners, are the real deal, and as such you will be using proper boxing equipment such as Focus Pads, Heavy Bags etc. as well as undertaking some of the very same exercises and drills as used by professional boxers in their competition preparations.
