Peacehaven Dental practice is a family run practice providing excellent general and advance dental care. We offer a broad range of services to prevent occurrence of disease in the oral cavity. We treat the irregularities in the soft and hard tissues such as tooth decay, tooth loss, tooth discolouration and misalignment's of the front teeth. We have implemented all the necessary measures in our practice to make the patient journey as safe and pleasant as possible. Please call 01273 582226 01273 5822...(click to reveal full phone number) to share with us any matter of your oral health and aesthetic desire.

We are currently registering both adult and child NHS dental patients in the East Sussex Area. Whether you need dental treatment urgently or just a check-up, if you are looking for an NHS dentist call.
