Hamster cage and exercise track for sale

The hamster cage is 22 inches long, 15 inches wide and 10 inches high.

The cage is all plastic except for the trap door. There is an internal exercise wheel, nest area with a ramp and water bottle.

Included are two exercise balls with a sectional race track which is handy when cleaning out the cage. There is also a wooden climbing block, stainless feed bowl, a half bag of nest bedding and a half spray can of cleaner included.

All is well looked after and in very good condition.

Bruce the hamster, sadly is no longer with us and my daughter has decided not to have another hamster. We are asking £15 for the lot.

Thank.
