Great car.We bought this for my Daughter when she passed her test,but she was not cofident in it.I kept it until she changed her mind but she hasn't.Its got electric windows,electric mirrors,power steering,air con,abs,economy setting(does 64mpg cruising)immobiliser,Bluetooth,.Best to get full spec online as I don't drive.4original tyres are like new.you won't find another of these,still under warranty,not even due it's first service(has been done though),at this.
