

African or Indian Mask (80 GBP)

Location **North, Northumberland**

It is 440mm high and 140mm wide and 130mm deep, it has an adzed finish to the interior and is probably about 70 to 80 years old, it has beautiful artwork and although it would benefit from a good clean, we have never given it more than a dusting as we have only had it for 20 years and think it would destroy what the Americans call patina. "But what do I"
