Pwedepa.ph Negosyo community is a FREE online advertising (advertisement) site focused on Sellers, Customers, products, services and their connection(C2C). We would like to give you,the Filipinos, all the best and latest tech for FREE, so you can Sell New or Used items and do a lot lot more with ease and freedom. We combined several major platforms such as social media, E-commerce, e-market place,online classified ads and integrated it in to one website, pwedepa.ph

You can advertise(advertisement),buy and sell new and used products, Post Products Online, Sell vehicles, cars, automotive, post Rentals, Business Opportunities, Services, Property and more.

What's great about pwedepa.ph is our feed system. When you post your product, it can be seen by everybody on the community on their very own NEGOFEEED, plus THE PAMILIHAN, , after it has been approved and checked. So now Customers or Sellers can Post Status or Product Updates Directly on Everybody's Timeline or it is viewable on everybody's "nego-feed" when they sign in. Now that's what we call connection.
