

DYSON DC01 BAGLESS VACUUM CLEANER Used (17 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-569458-z>

Our Dyson DC01 has got to go as we need the space.
Only thing wrong with it is the hose is split (common fault)- works completely and without any problems by taping the split (or replacements available on line which I have seen from about £10/12.00) - reason for sale is we have just upgraded to a Kirby.
Everything is intact price includes all tools (unlike other listings)
Could be posted but would cost around £15-18.00 due to size and weight. Leatherhead, Junction 9 M25.
First come, first served at this absolute bargain price
