

Bew Mini Lop (40 GBP)

Location

London, London<https://www.freeadsz.co.uk/x-569662-z>

He has iconic Alice In Wonderland White Rabbit looks, and the most fabulous personality that will keep you entertained for hours! Such a sweet little thing, full of fun and adventure! I have really fallen for him. Unfortunately, I must leave the country soon and can't take him on the airplane with me...

He is easy to hold and cuddle, tame and confident, he will make an exceptional pet! His ears have almost settled will and will Lop perfectly in the next few weeks.

I will give him along with everything I have or bought for him: a plastic carrier, food, birth certificate and detailed instruction of how to take care of him if he is your first bunny, a litter tray with bedding, food bowls and even a small wooden house for him to hide in, if you want.
