

FallZone Safety Surfacing

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-569823-z>

FallZone Playground Safety Surface is your premier nationwide turn-key supplier and installer of all your eco-friendly playground flooring, sports surfacing and recreational surfacing needs. With 25 years of combined playground safety surfacing experience, our mission is to provide you with the highest quality playground safety surface products, service and installation at an affordable investment while promoting the importance of safety on playgrounds all across the world. With many popular options like our FallZone Poured-in-Place and our FallZone Bonded Rubber or even our great line of Fallzone Synthetic Grass options, we can easily customized our surfacing to meet any safety, design or aesthetic requirement. FallZone Playground Safety Surface meets and exceeds all CPSC, IPEMA, ASTM and ADA guidelines for playground surfacing.
