## Household Services For All Over London

Hello,

I am offering household services for the whole of London. I am currently doing a masters but I am trying to establish my household business on the side and would love to build up clientele so I thought I would give this a go.

I offer services that include the following:

- Cleaning residential or private properties
- Mail waiting
- PA services
- Child minding
- Picking and dropping kids off at school
- Food preparation
- Personal Shopping (Groceries or Clothing)
- Launderette and Dry Cleaners pick up and drop off.
- Dog Walking
- Pet Sitting

My services are for the time poor and I also work on weekends.

I cover north, south, east and west London and I am based in west London. I am available to start ASAP.

It is my job to make your life easier through attending to what you can't.

I am really trying to build a brand and be a successful business woman so I was hoping to start here for

some exposure and more experience.

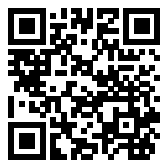

I am a very competitive and cheap service at £11 an hour for cleaning services as would be a great business for one who can't put too much time and as a business woman forward to help you.
