Magnetic Photos is an ultimate photo booth alternative which helps people to create memories and take them home. We photograph and create instant photo magnets using the best materials and printing technology that sets us apart from our competitors.

Our guests can stick their magnetic photos on fridge door or any other metallic surface. In order to create an exciting and funny experience for our customers we offer them a wide range of props and photo frames.

Great time and great memories now can be freeze on their fridge.

The gift that our guest will love and never forget. https://magneticphotos.wixsite.com
