## Tap Classes

Tap dance is a form of dance characterized by using the sounds of tap shoes striking the floor as a form of percussion. Two major variations on tap dance exist: rhythm (jazz) tap and Broadway tap. Broadway tap focuses on dance; it is widely performed in musical theater. Rhythm tap focuses on musicality, and practitioners consider themselves to be a part of the jazz tradition.

The sound is made by shoes that have a metal "tap" on the heel and toe. There are different brands of shoes which sometimes differ in the way they sound we recommend Bloch.

Our teacher is an X champion competitive tapper and our students are now representing their country in this genre and competing all over the world in tap as well as each year passing their ISTD examinations with top.
