We have a stunning litter of F1 cockapoo puppies. Mum is a KC working cocker spaniel and she is a fully trained working dog and family pet she is very loving, loyal and is a super mum to her puppies. Dad to these puppies is a KC miniature poodle who also belongs to us, he is PRA hereditary clear. He too is very loving, playful and obedient. Both mum & dad have a fantastic temperament and socialise well with children and other animals. Both parents can be seen. All paperwork is also here to view. Cockapoos have non allergy fur and dont malt as much as other breeds. We have both boys and girls, chocolate, apricot, black & sable coloured puppies available. Our puppies are brought up in our family home and interact with our young.
