PERSONAL HAIR GROOMING / MANSCAPING

For guys looking for a superb tailored/groomed appearance on their personal body hair (manscaping), but do not wish to endure sugaring/waxing I offer a trimming service using a sterilized speciality trimmer & scissors (back and butt can be stripped waxed if preferred).

This grooming will painlessly and safely trim your untoward body hair and leave you looking and feeling great. You will be more hygienic and have an enhanced appearance of your 'undercarriage' ..

The majority of guys are more confident to display a tidy 'trunkline' and you will also be bang on trend. A general 'below the belt' tidy round is just £25.

A full body professional massage is also available.

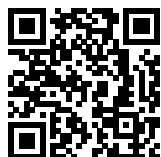

Available 6.5 days a week and am situated between Sidcup & Swanley (4 miles from Dartford Tunnel, Junction 3 M25). Ample parking always available
