Would you like someone to help with those jobs you never seem to get around to doing?

I have been a self-employed cleaner for the last 8 years. Before that, I was a nurse.

I am looking to expand my business to include jobs such as tidying, sorting, organising, decluttering.

So whether you have a pantry, a kitchen full of cupboards that need sorting, a couple of children's rooms that need organising, an airing cupboard, or even just a couple of "hotspots" around the house, I would love to hear from you.

I am based in.
