JAGUAR X TYPE INSTRUMENT CLUSTER REPAIR (2004-2008)

£150

The Jaguar X Type Dash failure is quite a common fault. On this type of Odometer it is usually caused by internal components breaking down within the Instrument Cluster.

The repair is carried out by fully qualified electronics engineers which involves stripping down the Instrument Cluster and replacing internal faulty components to rectify the problem. We do not offer "quick fix" we actually replace the faulty parts with new ones required.. Your mileage reading will also stay intact, so there is no need for mileage correction.

Your Jaguar Speedo can be repaired at a fraction of the cost compared with the price of purchasing a new one.

COMMON ISSUES

Failing warning lights
 Speedometer problems
 Flickering cluster
 Complete power failure

REPAIR PROCEDURE

1. Remove the cluster using the instructions on the website.
2. Print out the repair form on our website, if you don't have a printer please view the information on the website including the barcode on the inside of the box for postal reference.
3. Sign the form, cut off the address label and secure to the front of the box.
4. We recommend sending via Royal Mail Special Delivery UK.
5. When we have received the cluster and have repaired it, we will call you for payment via telephone.

WARRANTY AND TURN AROUND

We offer a Lifetime Warranty (T&C's Apply), usually with a 24 hour turn around by post.
