From Monday 12th to Friday 16th February (10am-4pm) children will be encouraged to bring a story to swap in the centre's book exchange, which will be initiated by donations from Romford Library.

Children will also be able to get creative in the centre's arts and crafts workshop, where they can design a letter insert before passing on their book to others, with a chance of winning a hamper containing stories and sweet treats.

Every day at 2pm, children will also be able to enjoy story time with Waterstones, and at 12pm and 12:15pm daily, children will be invited to channel their inner thespian with 15 minute express drama.
