Do you have time to spare to help us?

Founded in June 2005, Sickle cell and Young Stroke Survivors is a registered charity that is based in London.

The charity supports children, young people and their families living with Sickle cell anaemia and two of its devastating complications - Childhood Stroke and MoyaMoya syndrome.

We are now struggling to stay open as 1. we need new office space as our building will be demolished at the end of this year and 2. we needs funds to deliver our service to children and young people.

If you can help in any way please contact Carol on 07854827600 078548276...(click to reveal full phone number) or email click to.
