

Unique training specialists in all aspects of health and social care

Location

Yorkshire and the Humber, North Humberside

<https://www.freeadsz.co.uk/x-570873-z>

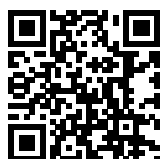

- * We will train all mandatory subjects in your own setting.
- * Personal Face to face training allows for debate and the best type of learning.
- * We are unique in the fact we train around the clock we train in the evenings, weekends and on night shifts as well as days, this is something no other provider can offer.
- * We work closely with you and can offer person centred training based around one individual and their needs as required.
- * All of our training can be certificated at level 1 or 2 dependent on your needs; we can also offer a range of awareness courses to meet the minimum CQC standard.
- * We can provide an aftercare and mentoring service to offer your staff support after training has finished and into their first months of work.
- * We are accredited by the Association of Healthcare Trainers, and audited regularly to ensure we are delivering the very best training for our.
