Beautiful pine framed print by Solomon and Whitehead printed in 1965 of the stunning painting done in 1963 by Joanne Pemberton Longman. This is preowned by me for some years and purchased at auction. The print measures 20 x 24". And the overall framed print measures 29" x 34". It is in great condition. Quite a sought after print and selling on some sites upwards of £120. A Sister print was also published called "The Sound of Music" Collection.
