Ready in March

This lovely frenchie litter of three raised in our home (dining area). They spend their days in a loving family 7/24, with 2 little children around. Puppies are well socialized, self whelped. Their mom does a great job. Both the parents are part of our family.

We offer you a view and time to spend at ours both to see the parents of the puppies - as this way you could build a clear picture of both the parents and the future behaviours and appearance of puppies - and to allow us get to know you because puppies' future and forever homes matters to us.

About the parents.

They are both family dogs, in a very much loving and caring home. They are fantastic to our children (1.5years and a 3months old). Puffy and Kyra have different temperaments which both might be inherited to the puppies, I will describe them in detail on the view.

Daddy is brindle pied in colour with a massive body.

Mom is fawn in colour, a smaller sized frenchie. (champion bloodlines)

Many pictures and videos are available to see previous litter of them.

Puppies

- Black, slightly brindle girl with one tiny white spot of hair on his neck, will be likely a massive size as daddy

- Blue sable boy, he is a tiny baby and will be a smaller size as mommy, he is the most active puppy, no way of a proper pic just yet :)

- Blue boy who is also a massive size as daddy, lovely blue eyes for now (RESERVED)

Please consider that the colours of the pups will still lighten in the next few weeks. More pics available of
