

Patterned Concrete Brick Style BlocksStones (2 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-571201-z>

These are patterned brick style stones / blocks to build a decorative wall. The stones measure 22cm high by 44cm wide by 10cm deep. You can either place the 22cm side down or you can place the 44cm side down. You can decide when you come to cement them down. Each stone block is reasonably heavy. One person can lift them with both hands. Offering them at £2 EACH. There are approx 70 stones / blocks. Reasonable offers for all will be considered. Most have little or no cement attached and many have no significant chips on them as the photo. Price is £2 Each. Best Offers for the one
