Hi!

I am a very experienced babysitter with previous experience working in nurseries and as a childminder caring for children from a few months old. I am fully qualified having completed a HNC in Childcare and Early Education, children's first aid and I have also done a food hygiene course for my childminding business.

I have just moved to Castle Donington from Scotland to help my sister who home educates her four children. I would like to offer my services for babysitting at £9 per hour (depending on the number of children). Please do let me know if you are interested, I have a car and can drive to areas nearby. Thanks for taking the time read this and I look forward to hopefully meeting you and your.
