Hello,
I have a team of girls helping families with cleaner!
If you need one off, every week or every other week we can help! You normally will have the same person each week if that's what you need! We are able to go on short notice!
If you need your laundry or ironing to be done we can do it for you!
Have a big basket with clothes to fold and put away we can do that!
Want to organize your house we can help!
Doing a party and need help during the party or after the party we can help!
Feel your house need a deep clean we can do it for you!
Prices start from 10 per hour
You can send me a message on what's app so I know exactly what you need :)
Or call
